February, 2023 Edition!

Our Purpose: We are a non-profit organization whose aim is to promote, encourage, and support interest in the genus rhododendron. Our goal is to encourage gardeners to grow and appreciate these plants by providing educational meetings with knowledgeable speakers, access to topical publications, and hosting joint meetings with other chapters.

ZOOM Meeting

Re NIAGARA CHAPTER'S PLANT SALE

February 26, 2023, 2:00PM (Sunday)

(Link available closer to the date)

Come and join us -- All are invited!

Good news! The Chapter will resume its annual plant sale this coming April.

Come join us on February 26 as Kevin Kavanagh, a botanist, owner of South Coast Gardens in St. Williams, Ontario, and past Board Chapter member shares his knowledge about the strengths, weaknesses, and preferred growing conditions of the cultivars, perennials, and shrubs being offered in the sale.

A slide show will accompany his presentation. There will be time for Q&A, which may be a hybrid of using Zoom Chat and perhaps questions entertained as each plant is discussed.
